ATTORNEY BIOGRAPHIES

Richard S. Schiffrin

Richard S. Schiffrin, founding partner of the firm, is licensed to practice law in Illinois and Pennsylvania, and has been admitted to practice before numerous United States District Courts. In his seven years of practice with the Office of the Public Defender of Cook County, Illinois, Mr. Schiffrin represented hundreds of clients in both bench and jury trials, as well as appeals. Mr.

Schiffrin has also taught legal writing and appellate advocacy at John Marshall Law School and has served as a faculty member at numerous legal seminars, including the Annual Institute on Securities Regulation, NERA: Finance, Law & Economics — Securities Litigation Seminar, the Tulane Corporate Law Institute, and the CityBar Center for CLE (NYC): Ethical Issues in the Practice of Securities Law.

Most recently, Mr. Schiffrin spoke at the MultiPensions 2005 Conference in Amsterdam, Netherlands; the Public Funds Symposium 2005 in Washington, D.C.; the European Pension Symposium in Florence, Italy; and the *Pennsylvania Public Employees Retirement Summit (PAPERS)* in Harrisburg, Pennsylvania. Mr. Schiffrin oversees all aspects of litigation on behalf of the firm. Mr. Schiffrin has been recognized for his expertise in numerous cases, including most prominently:

In re AremisSoft Corp. Securities Litigation, C.A. No. 01-CV-2486 (D.N.J. 2002):

S&B is particularly proud of the results achieved in this case before the Honorable Joel A. Pisano. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom remain fugitives. In settling the action, S&B, as sole Lead Counsel, assisted in reorganizing the Company as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, approved by the court, enabled the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained S&B to further assist with prosecuting the actions on behalf of the litigation trust.

After filing an action in the Isle of Man, where the trust successfully froze more than \$200 million of stolen funds from one of the fugitives, the trust achieved a settlement of this action for \$200 million, which was returned to the United States and paid to the trust. Recently, the trust commenced another action in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

Thus far, counsel on behalf of the trust and its beneficiaries have achieved settlements with the Company and certain of its directors and officers as well as the Company's auditors, lawyer and underwriters, for a total of more than \$250 million. The beneficiaries of the trust have already received in excess of 28% of their recognized losses.

Henry v. Sears, et al., Case No. 98 C 4110 (N.D. Ill. 1999):

Schiffrin & Barroway served as Lead Counsel on behalf of the largest class of credit card holders in history. At stake was the right of Sears and its newly formed affiliate, Sears National Bank ("SNB"), to retroactively increase the interest rates on eleven million credit card accounts with outstanding balances resulting from purchases made prior to the accounts being transferred to SNB. Schiffrin & Barroway alleged that such conduct violated the Truth-in-Lending Act, the National Banking Act and state consumer fraud statutes. After extensively litigating various aspects of liability, an additional nine months were then spent determining damages. The extraordinary complexity of the damage calculations required Mr. Schiffrin and experts from both parties to develop, test and utilize a novel computer model to ascertain total damages for the class and individualized damages for each class member. Ultimately, Mr. Schiffrin and his partner, Mr. Kessler, were able to negotiate a \$156 million settlement, which represented approximately 66% of total damages. In approving the settlement, District Court Judge Leinenwebber of the Northern District of Illinois stated:

... I am pleased to approve the settlement. I think it does the best that could be done under the circumstances on behalf of the class. ... The litigation was complex in both liability and damages and required both professional skill and standing which class counsel demonstrated in abundance.

The entire settlement fund of \$156 million was distributed without the filing of a single proof of claim form by any class member.

Wanstrath v. Doctor R. Crants, et al., C.A. No. 99-1719-III (Tenn. Chan. Ct., 20th Judicial District, 1999):

Schiffrin & Barroway served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company's top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company's top management was ousted, the composition of the Board of Directors was significantly improved and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffrin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain

bankruptcy. The case was resolved in conjunction with the federal securities cases for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

Jordan v. State Farm Insurance Company, Case No. 97 CH 11 (Cir. Ct., McLean County, Ill. 1998):

Schiffirin & Barroway brought a claim on behalf of multiple plaintiffs alleging that State Farm had engaged in fraudulent sales practices by "churning" policies and marketing and selling "vanishing premium" policies that never "vanished." After several years of discovery, motion practice and settlement negotiations, Mr. Schiffirin played a critical role in resolving the action for \$225 million in cash, dividend enhancements and other monetary benefits for current and former State Farm policyholders. Schiffirin & Barroway also has achieved substantial settlements in 20 additional cases alleging fraudulent sales practices by various insurance companies.

Mr. Schiffirin has also represented defrauded shareholders and companies in complex class and derivative actions, including the following:

Huscher v. Curley, et al., No. 00 Civ. 21379 (Mich. Cir. Ct., 2000) (In re Sotheby's Holdings, Inc. Derivative Litigation):

Schiffirin & Barroway served as Lead Counsel in a derivative action arising out of Sotheby's alleged antitrust price fixing conspiracy with auction house rival Christie's International PLC. A multi-million dollar settlement was negotiated by Mr. Schiffirin whereby Diana Brooks (Sotheby's President at the time of the alleged wrongdoing) agreed to relinquish all of her Sotheby's stock options, and the Company's insurance carrier made a substantial monetary payment to the Company. In addition, significant changes in the Company's top management and Board of Directors were achieved in conjunction with the settlement of the litigation.

Andrew L. Barroway

Andrew L. Barroway, managing partner of the firm, received his law degree from the University of Pennsylvania Law School, where he was a member of the ABA Negotiation team. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Barroway frequently lectures on securities class

action and lead plaintiff issues, and recently spoke at the 2005 Institutional Investor Hedge Fund Workshop in New York City and the Public Funds Summit 2005 in Phoenix, Arizona. Mr. Barroway has been actively involved in all aspects of litigation on behalf of the firm, and co-manages the firm's securities department. Of his numerous successful representations of shareholders, the following stand out as exceptional:

In re The Interpublic Group of Companies Securities Litigation, No. 02 Civ. 6527 (S.D.N.Y. 2002):

Schiffirin & Barroway served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock. As of February 2005, the stock had an approximate value of \$87 million, resulting in a total settlement value of approximately \$107 million. In granting its approval, the Court praised Schiffirin & Barroway for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

In re Digital Lightwave, Inc. Securities Litigation, Consolidated Case No. 98-152-CIV-T-24E (M.D. Fla. 1999):

The firm served as Co-Lead Counsel in one of the nation's most successful securities class actions. After extensive litigation and negotiations, a settlement consisting primarily of stock ultimately grew to a value of over \$170 million between the time in which the settlement was negotiated and the time at which it was distributed. Schiffirin & Barroway took on the primary role in negotiating the terms of the equity component, insisting that the class have the right to share in any upward appreciation in the value of the stock after the settlement was reached. This recovery represented an astounding approximately two hundred percent (200%) of class members' losses. Schiffirin & Barroway believes that this represents the largest percentage recovery for shareholders in securities class action history.

Mr. Barroway, along with his partner, Mr. Kessler, has also negotiated substantial settlements of securities class actions in which Schiffirin & Barroway was Lead or Co-Lead Counsel against Pinnacle Holdings, Cell Pathways, Gateway, Mercator and NetSolve. Mr. Barroway currently represents numerous public pension funds, private investment funds, money management firms, and individuals in securities fraud litigation as Lead or Co-Lead Counsel.

Marc A. Topaz

a partner of the firm, received his law degree from Temple University School of Law, where he was an editor of the Temple Law Review and a member of the Moot Court Honor Society. He also received his Master of Law (L.L.M.) in taxation from the New York University School of Law, where he served as an editor of the New York University Tax Law Review. He is licensed to practice law in Pennsylvania and

New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Topaz manages the firm's derivative, transactional and antitrust departments. In this regard, Mr. Topaz has been actively involved in litigating the following prominent cases:

***In re MTC Electronic Shareholder Litigation,*
No. CV-93-0876 (E.D.N.Y. 1993):**

Schiffirin & Barroway served as Co-Counsel in a case involving securities fraud by MTC, its officers and directors, underwriters and accountants. The case presented novel issues of Chinese law, and required the construction of a database of hundreds of thousands of documents utilized in numerous party and non-party depositions. A \$72 million settlement was achieved on the eve of trial.

***In re Oppenheimer Capital, L.P., Unitholders Litigation,*
Consolidated No. 16022NC (Del. Ch. 1997):**

Schiffirin & Barroway served as Co-Lead Counsel on behalf of plaintiffs alleging that a merger proposed by Pimco Advisors benefitted certain Pimco insiders by disproportionately allocating tax benefits achieved from the restructuring of a limited partnership, and failing to provide adequate compensation to the Oppenheimer shareholders. Plaintiffs moved to enjoin the transaction and a settlement was reached whereby defendants agreed to pay a special dividend to Oppenheimer limited partners of approximately \$16 million.

David Kessler

a partner of the firm, graduated with distinction from the Emory School of Law. He is licensed to practice in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania and the United States District Court for the District of New Jersey. He is also a Certified Public Accountant in Pennsylvania. Mr. Kessler co-man-

In addition, Mr. Kessler often lectures on securities litigation and was a featured speaker on hot topics in securities litigation in a seminar entitled "The Explosion and Evolution of Class Action Law" in December 2004 in Philadelphia, Pennsylvania, and the Corporate Governance Summit on Corporate Accountability in July 2003 in New York City. Mr. Kessler has achieved the following outstanding results in federal securities cases:

***In re Initial Public Offering Securities Litigation,*
Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):**

Mr. Kessler, along with Mr. Schiffirin, is presently heading up the firm's litigation efforts in its prominent position as an Executive Committee member in this action. Of the sixty plaintiffs firms which originally filed actions in these coordinated proceedings, Schiffirin & Barroway was one of only six selected to serve on the Executive Committee. The coordinated actions, which have been filed against 309 separate issuers of publicly traded securities, challenge the legality of the practices which accompany the allocations of shares in initial public offerings. In addition to suing the issuers of such securities, the 309 coordinated actions also name as defendants the primary investment banking firms which underwrote the offerings. This case, which has received a great deal of national and international media attention, is widely considered the largest securities class action litigation in history. At the present time, the court has preliminarily approved a \$1 billion settlement with the issuers and their officers and directors. The case is proceeding against the underwriting defendants.

***In re Assisted Living Concepts, Inc. Securities Litigation,*
Lead Case No. 99-167-AA (D. Or. 1999):**

Schiffirin & Barroway served as Co-Lead Counsel and was instrumental in obtaining a \$30 million recovery for class members from the Company, its executive officers and directors, and several underwriters for their role in an alleged complex accounting fraud involving the use of a purportedly independent joint venture to absorb the Company's start-up losses. Even after this \$30 million recovery, through counsel's efforts, an additional \$12.5 million was obtained from the auditors providing for a total recovery of \$42.5 million.

In re Twinlab Corporation Securities Litigation, Master File No. 98-CV-7425 (E.D.N.Y. 1998):

Schiffirin & Barroway served as Co-Lead Counsel and successfully litigated the action and was able to negotiate a settlement in the amount of \$26 million plus interest.

In re Cumulus Media Inc. Securities Litigation, Lead Case No. 00-C-391 (E.D. Wis. 2000):

Schiffirin & Barroway served as Lead Counsel and successfully litigated the action and negotiated a settlement of \$13 million in cash and 240,000 shares of freely tradable stock in Cumulus Media, which traded for approximately \$19 per share, for a total settlement value of \$17.5 million at the time the settlement was approved by the Court.

In granting its approval, the Court praised Schiffirin & Barroway for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

In re New Power Holdings, Inc. Securities Litigation, No. 02 Civ. 1550 (S.D.N.Y. 2002):

Schiffirin & Barroway served as Co-Lead Counsel and was instrumental in obtaining a recovery of \$41 million in cash for class members against a bankrupt company, certain of its officers and directors and the underwriters of the Company's offering. Claims involved New Power, an offshoot of Enron, that was formed to re-enter the deregulated energy market and pursued an IPO with no viable plan to hedge against volatile energy prices.

Stuart L. Berman

a partner of the firm, received his law degree from George Washington University National Law Center, and his undergraduate degree from Brandeis University. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania and the United States District Court for the District of New Jersey. Mr. Berman represents institutional investors worldwide in securities litigation and other related matters. In addition, Mr. Berman is a frequent speaker on securities issues, especially as they relate to institutional investors, at The European Pension Symposium in Florence, Italy; the Public Funds Symposium 2005 in Washington, D.C.; the *Pennsylvania Public Employees Retirement (PAPERS) Summit* in Harrisburg, Pennsylvania; and the New England Pension Summit in Newport, Rhode Island. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom are now fugitives. In settling the action, Schiffirin & Barroway, as sole Lead Counsel, assisted in reorganizing AremisSoft as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud

claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was approved by the Court, called for the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The Court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained Schiffrin & Barroway to continue prosecuting the actions on behalf of the litigation trust. After extensive litigation in the Isle of Man, including the successful freezing of more than \$200 million of stolen funds, the trust recently settled its action against one of the principal wrongdoers and recovered approximately \$200 million. Thus far, the trust has distributed to beneficiaries of the trust more than 28% of their recognized losses (excluding the value of the equity of the new Company), and is poised to recover even more. Recently, the trust commenced further litigation in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

Gregory M. Castaldo

In approving the settlement, the district court complimented Lead Counsel for its "extremely credible and competent job."

***In re CVS Corporation Securities Litigation,*
C.A. No. 01-11464 JLT (D.Mass.):**

After more than three years of contentious litigation and a series of protracted mediation sessions, Schiffrin & Barroway, LLP, serving as co-lead counsel, secured a \$110 million recovery for class members in the CVS Securities Litigation. Specifically, the suit alleged that CVS violated accounting practices by delaying discounts on merchandise in an effort to prop up its earnings. In addition, the suit charged that in 2001, the Company and its Chief Executive Officer, Thomas M. Ryan, improperly delayed announcement of its intention to close approximately 200 underperforming stores, and that an industry-wide pharmacist shortage would have a materially negative impact on the Company's performance. Settlement was reached just days prior to the commencement of trial, and shortly after the district court had denied the defendants' motions for summary judgment. This substantial recovery, which represents the third-largest settlement in a securities class action case in the First Circuit, received final approval from District Judge Joseph Tauro on September 27, 2004.

***In re InfoSpace, Inc. Securities Litigation,*
Master File No. C-01-0913-Z (D. Wash. 2001):**

Schiffrin & Barroway served as Co-Lead Counsel on behalf of plaintiffs alleging that InfoSpace and certain of its officers and directors overstated revenues by using improper accounting methods, overstated the demand for InfoSpace's wireless services, misstated InfoSpace's financial relationships with major customers, and falsely represented that InfoSpace would receive subscription

fees from users of web-enabled cell phones. After two years of hard-fought litigation and complex mediation, a settlement of \$34.3 million was obtained for members of the class.

***In re Riverstone Networks, Inc. Securities Litigation,*
Case No. CV-02-3581 (N.D. Cal. 2002):**

Schiffirin & Barroway served as Lead Counsel on behalf of plaintiffs alleging that Riverstone and certain of its officers and directors sought to create the impression that the Company, despite the industry-wide downturn in the telecom sector, had the ability to prosper and succeed and was actually prospering. In that regard, plaintiffs alleged that defendants issued a series of false and misleading statements concerning the Company's financial condition, sales and prospects, and used inside information to personally profit. After extensive litigation, the parties entered into formal mediation with the Honorable Charles Legge (Ret.). Following five-months of mediation, the parties reached a settlement of \$18.5 million.
